MORGAN'S MEANDERINGS

By MORGAN THOMPSON

Joe Dagna Sr., is not one to let grass grow under his busy feet. When Mayor Frank Hays appointed Dagna on a committee of citizens to study parking problems, Joe went into action.

When a citizen rose at Council meeting recently and wanted to know what progress the committee had made on the survey, Hays pointed out that they had not yet had time to gather and appoint a chairman.

How come, the speaker wanted to know, this story going about that the committee had already found that merchants were 100 per cent against parking meters.

Somewhat taken aback, our Mayor made inquiries and found that sure enough, Joe had made a one-man survey and had full details, complete with names. He had gone out and personally checked with every merchant in town.

The old wheeze about man bites dog has long ago ceased to be news. But when salmon bites man, that's one for the book, as Fred Lope, sporting goods dealer, can attest. Fred is nursing a nasty cut on one hand as result of a tangle with a salmon last Sunday.

Last Sunday's breakfast broadcast from the Frontier Club brought out some of Albany's brighter luminaries. Such as: Mayor and Mrs. Frank Hays, who won an orchid for her bravery in admitting to be the eldest lady present; Mr. and Mrs. Harold Olson, honored on their wedding anniversary; Mr. and Mrs. Russ Bradlee and Mr. and Mrs. Bill Hayes, who played a little game with oranges.

Police Officer Ralph Jensen is obviously a man who expects to be prepared for any emergency. Last Sunday he was seen practicing with a bow and arrow out behind Albany Hill.

The question being asked by many Albany Rotarians is "What's wrong with the amateur talent within our own group?" Seems President George Bernard has booked a professional act to represent the local wheel boys in the forthcoming Soroptimist Follies.

Which reminds, better not get caught in a last minute rush for tickets for the big Sorop. extravaganza on Feb. 26.

Pinch hitting for Myrtle McLean while our hard working City Clerk takes a much needed vacation at Palm Springs, Johnny Johnson, gal Friday of the City Engineer's office, had a quiet session Monday night at City Council meeting.

Tots Must Register Next Week to Attend Kindergarten Classes

Children enrolling in kindergarten for the first time in Albany schools are to register in the kindergarten room of the school they are to attend on Thursday, Feb. 3, from 9 to 12 a. m. In order to register for the February class they must be 4 1/2 years of age as of Feb. 1. Either a birth certificate or other proof of age must be presented at the time of registration.

The new semester opens on Monday, Feb. 7. On that day, all new students, other than kindergarten children, will register in the office of the school they will attend.

Speed-up in Finale of Dimes Drive

March of Dimes campaigning entered a new phase today with leaders urging all workers to "speed-up and clean-up" the annual infantile paralysis appeal.

"The response to our plans for an 'over the top' March of Dimes has been most gratifying," Albany Chairman Joe Villa reported today in thanking the public, press, radio and organizations and individuals who have aided in the drive, for their cooperation. "But we must make sure that we have enough funds on hand to meet the needs of our polio victims—and to handle any emergency which may arise."

He pointed to the situation last year when more than \$107,000 in March of Dimes funds was needed to care for Alameda County polio victims. As only \$86,000 was collected in the last March of Dimes, the Alameda County Chapter of the National Foundation for Infantile Paralysis exhausted its reserve to meet the emergency.

"But remember," Villa said, "the reserve is gone. There are now more than 600 polio victims in the county still in need of care. And we have no way of predicting how many new cases will develop this year. The only funds we will have on hand to care for them are those we raise during this March of Dimes drive. Every dime, every dollar you can spare can be used to relieve the suffering of our polio victims."

"It has been said before, but it is worth repeating. The March of Dimes is the people's way of fighting dread infantile paralysis. It is our only insurance against the cripple!"

Cornell School To Graduate Class of 26

Twenty-six pupils of Cornell School will be promoted from the H7th grade at exercises to be held in the school auditorium on Tuesday, Feb. 1 at 1:45 p. m.

Following the professional and a song by the graduates, Terry Heeszel will welcome parents and friends. The Valedictory will be delivered by Charlotte Sandford, William Woolworth, coordinator of curriculum, will address the graduates and parents. Police Chief Stan Williams will present awards to graduating Junior Police officers, and Principal Milton Gordon will present the certificates of graduation.

Following the program, members of the Cornell P.T.A. will have a party for the graduates in the cafeteria which will be followed by a social dancing period in the auditorium.

The list of graduates are as follows: Joan Marilyn Alforno, Joy Anne Aschmann, Robert Gary Baker, Gloria Ann Benjamin, Marvin Lee Chapman, Loretta Mae Colby, Francis Teaznor Griffiths, Marilyn Lee Hayes, Terry Allen Heeszel, Millicent Bernice Hubbard, Roberta Ann Johnson, Bruce Andre Keppel, Susan Lois Klingman, Robert Glenn Kraft, James Kirk Loebbecke, Ronald Gerald Lork, Ventura Joe Lupo, Donald Marshall McFadin, Ronald Eugene Middlekauff, Marilyn Ann Morton, Murle Pizzagani, Joel Magnes Popper, Arline Lucia Rodini, Charlotte Ellen Sandford, Julia Ann Stokes, and Howard Arthur Wright.

Managers Plan Meet to Start Softball Play

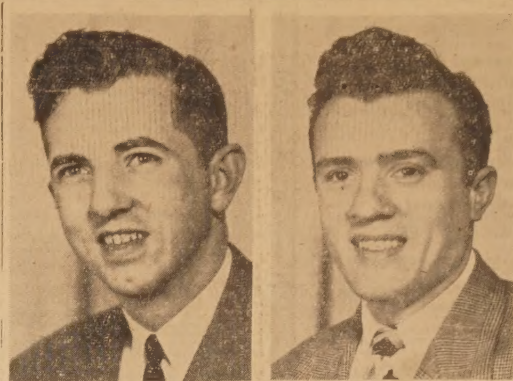

The Albany Recreation Department is inviting members of civic, fraternal, service, dads' clubs and municipal departments to participate in a Spring softball league.

The first meeting of the softball managers will be held on Thursday evening, Feb. 3 at 7:30 o'clock in the offices of the Recreation Department, 850 Masonic Avenue. Each club is urged to send their manager or representative to the meeting.

The League shall be identified (subject to change at manager's meeting) as a senior division and will start play on Sunday, March 6. Entrance fee will be \$20 and application forms, rules, etc., will be mailed to the interested clubs following this meeting of the softball group.

Scouts, Cubs Will Be Guests of Marin Dads

The Marin Dads Club will honor the Cubs and Scouts at their regular monthly meeting Feb. 1 at 8 p. m. in the Marin School Auditorium.

Recently promoted to new departments in the Mechanics Bank are Clarence Marcos (right) and Fred Fricke. Marcos will be in charge of personnel and operations, while Fricke heads the auto and personal loans department.

Mother Requests Mechanics Bank Tree Memorial For Heroic Son

The Key Route Boulevard Memorial Strip is \$25 nearer reality this week, thanks to a mother's wish to have her son remembered in a living tree memorial.

In a letter to N. P. Reckas, originator of the plan to beautify Key Route Boulevard in memory of those who gave their lives in World War II, Mrs. Beulah C. Hickman of 1000 Ordway St. enclosed a check for \$25 and asked that a tree be dedicated to her son, Captain Cleveland D. Hickman, "missing in action."

Captain Hickman's last mission as pilot of a B-24 bomber carrying the air war into Germany, was a raid over Bremen on Dec. 20, 1943. No trace of the heroic Alabanyan has since been found.

An honor graduate of Albany High School with the class of 1939, Hickman was awarded a scholarship by the California Scholarship Federation. After completing his junior year at the University of California he went to work for Cutter Laboratories in the dextrose department.

Captain Hickman proved his heroism on his fifth mission when he brought his badly damaged plane safely back to his base in England after a mission over Europe. Although wounded he stayed at the controls of the plane until an opening in the heavy overcast permitted him to land safely and save the lives of his crew. He was also cited for taking part in a raid on the Ploesti Oil Fields in Roumania.

Hickman was awarded the DFC with oak leaf cluster, the Air Medal with a second oak leaf cluster, one silver star and one bronze star to his European Area-Middle East campaign ribbon. On Jan. 22, 1947, at Hamilton Field Mrs. Hickman was honored with a posthumous award of the Purple Heart.

Mrs. Hickman closed her letter to Reckas with this thought: "The trees which have been planted are a very cheering sight on our wintry days. They look so green, alive and ready to grow, so eager to beautify our city and never allow us to forget the boys who did not come home."

Exchange Club Votes to Meet Tuesday Nights

In an effort to boost attendance, members of the Albany Exchange Club at a recent meeting voted to abolish noon meetings in favor of Tuesday evening sessions starting at 7:15 p. m.

As program chairman of the first meeting under the new policy on Jan. 25, Police Inspector Art Smith had as guest speaker, Alfred Maffley, administrator of Herriek Memorial Hospital in Berkeley. Maffley spoke on "Albany Emergency Hospital Service," explaining the emergency services rendered to local residents in the Berkeley hospital.

Following his first meeting with the Board of Control, President Jack Hamilton announced committee members for the year. They include: Howard Wright, Jack Livingood and Joe Carlevaro, house; Harry Williams, Ed Haran, Bob Miller and Robert Taylor, membership, attendance and investigation; Louie Celia, Fred Fricke and Al Zerga, finance and audit; Ernest Tarr, George Fiderio, Stanley Williams, Art Smith and Bert Hill, community betterment; Sid Weinzeimer, George Hill, Charles Moncrief and Al Zinnman, program; John Pleich, Milton Gordon, Sid Weinzeimer, Art Smith and Ernie Sosa, ways and means; Ed Haran and James McLeod, visiting and birthday; Henry Henriksen and William Garren, interstate fellowship; Joe Young, George Glavinovich and Henry Villa, inter-club activities; Charles Matheson, Jay Gamett, Elmer Venter, Jack Ragle, Emmett Devine and Vernon Freeman, sports.

Named to head personnel and operations was Clarence Marcos. Fred Fricke was appointed to the auto and personal loan department.

Marcos has been with the Mechanics Bank since 1938 except for four years in the service during the war. He served in the Infantry and saw action in the European Theater of Operations. Now living at Pinole with his wife, Marcos is a graduate of Richmond High School and Head's Business College. He is a member of the Jess Orchard Post, V.E.W. of Rodeo, Pinole Aerie of Eagles and Pinole Young Men's Institute.

Fricke was transferred to Albany from the Richmond office six months ago after two years of service with the organization. Formerly a resident of Nebraska where he attended Doane College, he now resides at 643 Santa Rosa St., Berkeley. His wife, Ruby Helen Fricke is secretary for the Albany Recreation Department. He is a member of the Albany Exchange Club, Berkeley Elks and St. Alban's Episcopal Church.

The two departments are being readied for expanded operations when the staff moves into the new Mechanics Bank next week-end.

C. of C. Names Joe Benjamin Assistant Mgr.

At a recent meeting of the Albany Chamber of Commerce Board of Directors, Joseph Benjamin was appointed assistant manager of the local Chamber. He took office on Jan. 20.

A former resident of Tarrytown, N. Y., Benjamin came to California in August of 1947 after retiring from his business as insurance specialist and real estate broker. He served the Tarrytown and North Tarrytown Savings and Loan Association as director and chairman of the appraisal committee and was for 15 years Assessor for the City of Tarrytown.

A charter member of the Spencer Kelly Post 267, American Legion in Tarrytown, Benjamin is now affiliated with Albany Post 292 as Chaplin. He is also a member of the Masonic Lodge, Oddfellows and Foresters of America.

Benjamin lives at 300 San Carlos Ave. with his wife, Winifred and daughters, Shirley, a Junior at the University of California and Miriam, a high school sophomore.

In announcing his appointment Benjamin stated that he would "endeavor to put the Albany Chamber of Commerce on a sound basis for the service of local merchants and residents. I hope to receive the full cooperation of all merchants from a financial as well as personal standpoint. We need membership to give us authority in speaking for our city as a whole to state and national agencies. With the aid of all merchants and residents we can really put Albany on the map."

"When the building program was set up in 1946," Mrs. Walton said, "it was stated that money previously saved for building purposes and some funds from each year's current budget would be used in the program. For example, there was a \$52,000 balance earmarked for building purposes in July, 1946, which was used for this, and a few months later an unexpected emergency appropriation of \$39,247 was received

LOCAL RECREATION DEPT. SPLIT ON SCHOOL BOARD REJECTION OF DEVINE

With their final decision not to accept Emmett Devine as Superintendent of Recreation, the Board of Education split the Albany Recreation Department which has functioned as one unit since 1935.

A letter from the school board, read at Monday night's Council meeting reiterated the board's stand for a man with higher academic qualifications and experience. Mayor Frank Hays said there was nothing more for the Council to do but consider the departments divorced and to operate the city recreation department as a unit separate from the School District.

MacGregor PTA to Form Song Group Among Members

Meeting on Jan. 20, members of the MacGregor Parent-Teacher Association heard Charles Devereaux, a social worker for the State Department of Mental Hygiene speak on "The Emotional Needs of the Child and the Parent." The lecture was followed by a lively discussion which proved so interesting that Devereaux was asked to return for the April meeting.

According to Mrs. William McGimpsey, program chairman, a singing group "to sing just for the fun of singing" will be organized by Mrs. James Berry, music chairman. Mrs. Berry asks that all who are interested in joining the group contact her at the next PTA meeting on Feb. 17.

William Woolworth, chairman of adult education, announced that Mrs. Faith Smitters will conduct a course on "Psychology of the Primary School Child" as part of the adult education program sponsored by the P.T.A. in conjunction with the Albany City Schools. Mrs. Smitters was the psychologist for the Los Angeles County School System and is now working toward her doctorate at the University of California. The course will start in the latter part of February at a definite date to be announced later.

State-Wide Child Care Conference Scheduled

The second California state-wide Child Care conference will convene in San Francisco, Feb. 2-5. Miss Margherita Mayal, Child Care Center director, will attend this educational conference, representing the Albany school district.

Three full conference days will present an opportunity for Child

Car administrators and teachers to meet to discuss common problems and practices, with several guest speakers including many well known educators in the state.

School Building Program Reviewed at Cornell Ground Breaking Wed.

Replacement of the first Albany schoolhouse, built in 1908 was brought one step nearer, with ground-breaking exercises for the new Cornell School wing on Wednesday, Jan. 26. Gloria Benjamin, president of the Cornell Student body, did the actual ground breaking following a brief program presided over by Principal Milton Gordon.

The preliminary ceremony consisted of a bugle call and flag salute led by Cornell students, a statement by George Glavinovich, a graduate of Cornell School and now the City Attorney of Albany, and a statement by Mrs. Delia Walton, president of the Albany Board of Education.

Mrs. Walton in her statement outlined the status of funds derived from the 1946 School Bond election. She stated that on Jan. 11, 1949, there was:

Bond money invested in	
Treasury Notes	\$300,000
Interest accrued on Treasury Notes	5,400
Bond cash after deducting amount due on current contracts	6,617
Bond fund total	\$312,017
Set aside for the Cornell School classroom unit	144,144
Bond money available for swimming pool	167,873

"When the building program was set up in 1946," Mrs. Walton said, "it was stated that money previously saved for building purposes and some funds from each year's current budget would be used in the program. For example, there was a \$52,000 balance earmarked for building purposes in July, 1946, which was used for this, and a few months later an unexpected emergency appropriation of \$39,247 was received

from the State and used in the building program. It is the intention of the Board of Education to continue this policy."

The completed program embraced in the bond campaign included two primary schools and the renovation and equipping of the modern science and homemaking laboratories at Albany High School. The replacement of the old north building at Cornell is now in the process of construction, and bids have been requested for the building of the swimming pool at the high school.

"The completion of the High School Auditorium with instrumental and vocal music rooms, a part of the building program proposed in the bond campaign, has been delayed," stated Mrs. Walton, "because the high school enrollment will not increase for two years, because adequate temporary music rooms have been available, and because there are not sufficient funds. Had building costs remained at the May, 1946 level, the building program as then outlined would have been completed with bond and district funds available. Increased costs have made it impossible to complete the entire program. However, the Albany Board of Education has set up the following policy in determining the order of building construction: To construct buildings that will benefit the most children, and to do everything possible to complete the building program."

In planning and executing this program the Board of Education has worked closely with P.T.A.'s, Dads' Clubs, and other interested civic groups. It will continue to do this in completing the building program that will best meet the needs of the most children."

Scouts to Award Eagle Rank to 5 At Honor Court

Five Scouts from Troop No. 42 will be awarded the high rank of Eagle Scout at a special Eagle Court at Marin School auditorium on Friday, Jan. 29. The Eagle Court will follow the regular Court of Honor which begins at 8 p. m. A pot luck supper for the troop, their parents and committeemen will be served at 6 p. m.

It is unusual that five boys from one troop receive such recognition at one court and is the result of much concentrated effort on their part as well as their leaders.

Professor Herms is scheduled as the main speaker, with Duclor Coe, district advancement chairman presiding at the Eagle Court. Charles Anderson and Eugene Helwig, Scoutmasters of Troop 42 will also take part in the activities. Lloyd Hogan, Chairman of the Troop committee will preside at the regular court.

Troop 42 is sponsored by the Marin Dads Club of Albany and is one of the most progressive troops in that district.

Scouts achieving Eagle rank are: Earl Flegel, 17, Albany High School student, the son of Mr. and Mrs. Paul Flegel of 917 Carmel Ave. Earl is Jr. Scoutmaster of the troop. George Garrells, 15, also of Albany High School, whose parents, Mr. and Mrs. Charles Garrells live at 965 Ventura Ave. He completed the Lion Rank in Cub Scouts and joined Troop 42 Oct. 1, 1945. George is the troop scribe. Jack Lock-

Words of congratulations to the new bride, Mrs. Herbert Schulz (Sharon Lou Campbell), at the ceremony are being given by Mrs. Curtis W. Campbell (above center), mother of the bride, and Mrs. George Pickard of El Cerrito, the former Patricia Campbell, sister of the bride, and her matron of honor. The Schulz-Campbell nuptials took place Jan. 16 at the Chapel of the Flowers with the reception following at the Orinda Country Club. —Louise photo

Campbell-Schulz Vows Read at Sunday Service

Post-nuptial festivities at the Orinda Country Club followed the Jan. 16 wedding of Sharon Lou Campbell and Herbert Schulz. The young couple were married at a 1 o'clock ceremony, held at the Chapel of the Flowers, Berkeley. Bishop Tice Winkel of the Church of the Latter Day Saints officiated. Sharon is the daughter of Mr. and Mrs. Curtis (Curt) C. Campbell of 1500 Mountain Blvd., her father has the local Ford agency. She is a graduate of Berkeley High School, where she was a member of Theta Phi Sorority, and later attended Colorado Women's College.

The bridegroom is the son of Mr. and Mrs. Oscar F. Schulz of 1305 Stannard Ave. and is also a graduate of Berkeley High School.

The bride was escorted to the altar by her father. She wore a semi-tailored gown of white satin with a sweetheart neckline and deep folds in the skirt. Her veil of illusion was held with a crown of seed pearls and she carried a shower bouquet of white carnations. Mrs. George Pickard of El Cerrito, sister of the bride, was matron of honor. She wore a soft pink brocade gown with an off-shoulder neckline, bouffant skirt and carried white carnations and bouvardia. Her headpiece was a clip of white carnations.

Mrs. C. C. Campbell, mother of the bride, was dressed in a bronze satin suit with a pink tulle hat, brown accessories and a corsage of pink orchids. Mrs. Oscar F. Schulz was in purple gabardine with a matching tulle hat, black accessories.

Model Home on Solano Opened For Inspection

One of the most unusual homes ever built in California, the \$36,000 "Minnie Lou" Amazing Model Home, opened to the public Saturday, Jan. 22 at Polk and Solano Streets in Albany.

Constructed under the supervision of one of the few women contractors in the United States, it features 100 Do's and Don'ts which women prefer in a home, carrying out the theme "Designed and built by a woman for a woman."

Minnie Lou Eakin, the builder, has embodied the best features of all the model homes she has seen in her travels throughout America. She lives now at 827 Polk Street in Albany, but intends to live in the model home after it has been exhibited.

The "Minnie Lou" model home, on Solano at Polk, five blocks west of San Pablo Avenue, will be open from 9 a. m. to 9 p. m. every day from Jan. 22 through March 22. Admission is 50 cents, and children under 16 are admitted free when with their parents. The proceeds, less expenses, go to charity projects of Albany service clubs.

In addition to donating the net proceeds to charity, Mrs. Eakin is giving away a \$1,000 down payment on one of the four classes of "Minnie Lou" model homes, ranging in price from \$11,000 to \$36,000. These tickets are free from local merchants, and the winner does not have to be present to win. The holder of the winning stub will be announced in Mrs. Eakin's newspaper advertising.

Charities to which the net proceeds will go include the Albany

LaCroix to Instruct Tennis Classes for Recreation Dept.

The Albany Recreation Department has announced the organization of tennis classes for both children and adults to get underway Tuesday, Feb. 8 at Memorial Park at 1 p. m.

Classes will be conducted from 1 to 3 p. m. for adults and 3 to 6 p. m. for school children of beginning and advanced status.

Instructions and equipment, including rackets and tennis balls, will be furnished by the Carnation Milk Company. Cloey La Croix, nationally known tennis player and instructor, will be in charge of classes. La Croix has an extensive background in both playing and instructing. He has competed with such well-known tennis personalities as Helen Wills Moody, Bill Tilden, and Bill Johnston.

For further information, call the Recreation Department, L.A. 5-5704.

Christian Science Churches

"How excellent is thy loving-kindness, O God! therefore the children of men put their trust under the shadow of thy wings" (Psalms 36:7). This is the Golden Text for the Christian Science Lesson-Sermon for Sunday, January 30, on the subject "Love."

The following citations are included in the sermon:

The Bible: "In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him" (1 John 4:9).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Love is infinite. Therefore all that really exists is in and of God, and manifests His Love" (p. 340).

GO TO CHURCH SUNDAY!

ADVENTURE!

"Boys will be boys," they say. But we're sure you'll agree they'll be better, friendlier, happier boys if they're in the ranks of the Boy Scouts of America. For 39 years, the Boy Scouts have made an increasing contribution to a better America through a well-planned, up-to-date program to meet boy's interests.

It's a program of adventure that appeals to every boy, when he knows about it. And there's the rub.

Many a boy of 12 or over still needs to be informed of the exciting activities of Scouting. Many a parent needs to discover the values of Scouting for his boy. Many an adult needs to find out the enjoyment to be derived from helping boys find themselves through Scouting. Many a civic institution should look into the merits and advantages of sponsoring a Troop of Boy Scouts.

Did you know that citizenship-training can be an adventure?

Take time out during Boy Scout Week, which marks the 39th birthday of the Boy Scouts of America, to observe in action that theme, "Adventure—that's Scouting!" and see its far-reaching effects. Community service projects, emergency service training, safety education, and conservation practices—all of these challenging activities are undertaken by the Boy Scouts of America.

Institutions which sponsor Boy Scout Troops have found many advantages in giving their boys Scouting opportunities. It enables them to add a program of youth-centered character and citizenship activities, under the general auspices and atmosphere of the institution. This tends to strengthen the loyalties of youth toward the institution, because Scouting has been willing to lose itself in the institution, and thus become part of the institution. All this brings bene-

Dr. Cross Plans Peace Of Mind Sermons at Northbrae Church

Rev. Laurence L. Cross, pastor of the Northbrae Community Church and Mayor of the city of Berkeley, speaks Sunday morning at 9:45 and 11 o'clock, "Where Religion and Psychology Meet and Part."

This is the 5th in a series of sermons which has attracted wide attention and filled the church to capacity.

He is using as book texts for the series several recent and popular books on the subject: "Peace of Mind," "How to Stop Worrying and Start Living," "Mind and Body—Psychosomatic Medicine," "On Being a Real Person," "Religion and Health," and "Psychology Serving Religion."

Sunday's topics will include: Is religion for normal people, psychology for the abnormal? Does Psychology hope to replace religion? Is the Psychology craze the old mind versus medicine fight? How can you explain that Dr. Loebman, author of "Peace of Mind," died so young and so suddenly?

The 9:45 and 11:00 a. m. services are identical except for the music. Oliver Jones, Welsh baritone, is soloist at the first and the Community Choir under the direction of Stephen Lehmer at the second. Guests are welcome at both services but they can be assured of a better seat at the 9:45 service.

A nursery and Sunday School are held during the 9:45 hour while a nursery and Sunday School through second grade is held at 11.

The Church is at the head of Solano Avenue at The Alameda and Los Angeles.

fits for the whole community, and stimulating satisfaction for our boys.

"Adventure—that's Scouting" is a phrase—with meaning—for all of us!

Stork Flight Ends, Passenger Resting

By A. E. GILBERT
Evelyn Emily Gilbert was resting here today from the strain of a nine-month, non-stop stork flight which ended at 12:37 a. m., Jan. 24 at Alta Bates Hospital in Berkeley. Her mother, Bessie Evelyn Gilbert, who was with her throughout the trip and at the hospital, expressed relief at her daughter's safe arrival. Though unaccustomed to such tours, Mrs. Gilbert suffered no apparent ill effects. The child's father, Albert E. Gilbert, newspaperman and non-vivante about California, could not be reached for comment. After a brief appearance at the hospital, he was reported soaring through the stratosphere where he was mistaken for a flying saucer.

Evelyn weighed nine pounds 15 ounces on arrival and had withstood the strain of the journey well, according to her personal physician, Dr. Grant Ellis. She refused to be interviewed or to pose for photographers.

"There will be plenty of time for that later," she is reported to have said. "All I'm interested in now is plenty of good, nourishing food and lots of sleep in a soft, warm bed. I'll have plenty to say when the time comes."

She plans to live with her parents at 1048 Santa Fe Ave., her mother announced.

O. E. S.
Mrs. Mae Olson will entertain the O.E.S. Sewing Circle with a luncheon at the Robin Hood Inn in Oakland on Thursday, Feb. 3. Members are asked to gather at the Y.M.C.A. Community Building at 12:30 for the trip to Oakland.

"Look! I can walk again!"

"THE STORES WHERE COURTESY IS KING"

Artichoke land will soon grow power
P. G. and E.'s biggest steam plant under way on Monterey Bay

A 280-acre vegetable farm near Moss Landing on Monterey Bay soon will be producing the greatest crop of power in P. G. and E. history for Northern and Central California.

For here is being built the company's largest steam plant, a 402,000-horsepower giant whose electric output will contribute to P. G. and E.'s entire interconnected system.

This is the ninth major producing unit begun since V-J Day to serve the growing demand for power in California. Four already have been completed, and still others are planned.

1,500 workmen will be on this job when construction reaches its peak, and a good share of the \$51,500,000 estimated cost of the project will be in payroll, which in turn will pass on to local business.

On the line in the spring of 1950 will go the first of three 134,000-horsepower generators; the others are scheduled for the following year. Preliminary work already is going full speed ahead.

For the record
The plant's huge boilers will be fired by oil shipped in by both sea and rail.
P. G. and E. already has invested \$300,000,000 in post-war power facilities.
Half a million new horsepower are already at work for Northern and Central California.

Work never stops on our power-building program
